1. It is requested that the sum of \$130 be made available to Special Procedures Group for the purpose of meeting the cost of certain highly confidential services which have been performed for our group.

2. Because of the character of the work performed and the necessity for concealing the identity of the person performing the work, we are not making available official receipts for central filing. However, a record of these expenditures is available within the files of Special Procedures Group. These charges can be charged to the project development fund of Special Procedures Group.
